My needs are simple, my plan is plain, I just like a life that's easy.

I don't have any offshore investments,

I don't have a load of stock market shares,

I don't want to live with pain or resentment,

I like living on a wing and a prayer.

Living on a wing and prayer; it's the only way for me,

I got no contrition but I got no ambition; I just wanna life that's easy

Don't want to socialise with no V I Ps,

And for high society I don't have a care,

I'm just happy when I'm shooting the breeze,

I like living on a wing and a prayer.

Living on a wing and prayer; it's the only way for me,

I don't need stuff, I got more than enough; I just wanna life that's easy.
