

Fireball XL5

Barry Gray

Intro Riff

GGFFF GGGFFFGGFFFG

I [C]wish I was a [Am]spaceman
The [Dm]fastest guy [G7]alive
I'd [C]fly you around the [Am]Universe
In [Dm]Fireball XL[G7]5
Way [C]out in space to[Am]gether
[Dm]Conquerors of the [G intro riff]skies

Both riffs are played on the A string.
A riff is fret 7 then 5 then 3.
B riff is fret 3 then 2 then 0.

chorus
My heart would be a [C]fireball (riff a)
A [Am]fireball (riff b)
Every[F]time I gazed in[G7]to your starry [C]eyes. [G7]

We'd [C]take the path to [Am]Jupiter
And [Dm]maybe very [G7]soon
We'd [C]cruise along the [Am]Milky Way
And [Dm]land upon the [G7]Moon
To a [C]wonderland of [Am]stardust
We'll [Dm]zoom our way to [G intro riff]Mars

chorus
But [C]though I'm not a [Am]spaceman,
Fa[Dm]mous and ren[G7]owned
I'm [C]just a guy that's [Am]down to earth,
With [Dm]both feet on the [G7]ground
It's [C]all imag-[Am]ination,
I'll [Dm]never reach the [G intro riff]skies

My heart is still a [C]fireball, a [Am]fireball
Every[F]time I gazed in[G7]to your starry [C]eyes. [G7]
[C]fireball, a [Am riff b]fireball
Every[F]time I gazed in[G7]to your starry [C]eyes. [G7 - C6]
